Please see S.N.20,24 and 25 of File 1372-36. Under the present arrangements Mr. Thompson's term of appointment as Inspector of Schools, Coorg and Bangalore, expires on the 20th July 1937.

2 A further extension of Mr. Thompson's services mainly depends upon a decision on the question of retrocession. It is perhaps unlikely that a decision on this question will be taken before July 1937. It can be assumed therefore that it will be necessary to extend Mr. Thompson's services for a further period. As it is not possible to estimate with any precision when the retrocession question will be settled, it is for consideration whether the Government of India may be requested to extend his services for a further period of eight months and eleven days ,i.e., up to 31st March 1938.

3 Before addressing the Government of India, we may ascertain from the Coorg office how the question of appointing a separate Dt. Educational Officer for Coorg stands so that we may touch upon this point also in the letter to the Government of India.

4 The question depends partly on retrocession; but in its present aspect it depends even more directly upon what arrangements are made by the Govt. of Mysore for filling the post of

D.P.I. in the Papuan State after Dr Ritchie goes at the end of this month if the Papuan Govt appoint an experienced European officer to be D.P.I., it may be unnecessary for us to obtain the services of an officer from England to fill the Inspector's post after retrocession, and we could ask for Mr. Thompson's services to be extended until retrocession is accomplished (if it is to be carried out). If on the other hand the Papuan Govt are not going to appoint a European officer to fill their post of D.P.I., it would be necessary for us now to take steps to obtain the services of an officer from England who would fill the Inspector's post both Papua and after retrocession. We can really do nothing until we see what decision the Papuan Govt make when Dr Ritchie goes in the end of this month.

Mysore Gazette Pt II, 51 16th April 1937 slip (9)

It is seen from the notification of the Government of Mysore No. 2462-C.B. 147-36-1, dated the 25th March 1937, that Mr. N.S. Subba Rao, M.A., Director of Public Instruction in Mysore, will be in charge of the duties of the Vice-Chancellor, in addition to his own, during the period Mr. Metcalfe will be away on leave and summer vacation up to the end of June 1937, pending retirement.

It is not known whom the Government of Mysore propose to appoint as Director of Public Instruction after that period. If they appoint an experienced European Officer to be the D.P.I.; it will be unnecessary, as stated in para. 4 of these notes, to obtain the services of an officer from England to fill the post of the Inspector of Schools, Coorg and Bangalore. It will no doubt take some time for the decision of the Government of Mysore to be definitely known; and it is for consideration whether we may in the meantime extend the services of Mr. Thompson from the 20th July 1937 to 31st March 1938, as suggested in para. 2 ante. This will give us sufficient time to recruit an officer from England if necessary.

It will be seen from the notification of the Govt. of Mysore No. 3104-C.B. 195-36-2, dated the 16th June 1937 that Mr. E.G. McAlpine has been appointed as the Director of Public Instruction in Mysore, with effect from the 24th June 1937. In this connection it may be mentioned that he officiated as the Inspector of Schools, Coorg and Bangalore, from the 16-2-1929 to 16-2-1930. In the event of retrocession of Bangalore there will be no difficulty therefore regarding the inspection of European and Anglo-Indian Schools in the Station.

I have spoken to Resident and to Mr. Thompson. ~~We need not take the initiative of the application~~ as regards retrocession, the safeguard will have to be the appointment of a European officer to inspect European schools in the retroceded area. If the Mysore Govt. consider that Mr. McAlpine as D.P.I. could himself inspect these Schools & we were satisfied, it would

not be necessary to ask for the appointment of another Inspector. In any case, we do not want to find ourselves with a 5 year contract officer from England on our hands, & without the justification for asking the Mysore Govt. to complete his contract. Resident agreed therefore like Mr. Thompson to stay on, possibly until he retires in 1940, on annual extensions, provided that there is no subsequent objection to this. Madras Govt. are, I understand, not likely to object. The first thing to do therefore is to make the present extension ± for one year, with possible further extension envisaged. Draft below may be issued, and if Resident wishes, the file will be put up to him again on the 16th July when Mr. Pattinson arrives.

Dear Colonel Plowden,

Please refer to your demi-official letter No. F. 1372-36/R.o.II, dated the 9th January 1937. I agree with you that the question of recruiting an officer from England for the post of Inspector of Schools, Bangalore, should be held in abeyance for a few months longer, at least until it is known how the Government of Mysore decide to fill their post of Director of Public Instruction or until a decision appertaining to the retrocession of Bangalore has been taken If this decision is delayed, the services of Mr. Thompson as officiating Inspector of schools, Bangalore and Coorg, will presumably have to be further extended. As Mr. Thompson belongs to the Indian Educational Service of Madras, it will be necessary to obtain the approval of the Government of Madras if his services are further extended. I shall be grateful if you will kindly let me know in time, i.e. before the present extension of Mr. Thompson's services expires, what arrangements you propose to make for Bangalore and Coorg in this matter.

My dear Parkinson,

Will you please refer to my demi-official letter No.F.471-37/R.O. II, dated the 19th April 1937 ?

2. The Government of Mysore have appointed Mr. E.G.McAlpine as Director of Public Instruction. In the event of retrocession, I propose as one of the safeguards that the Inspecting Officer of the European Schools in the retroceded area should be a European. Whether Mr.McAlpine as Director of Public Instruction will be able (as suggested in my demi-official letter No.F.1372-36/R.O II, dated the 9th January 1937,) to undertake this inspection will be a matter for further consideration at the time of retrocession. In any case, it is possible that the Mysore Government will be able to provide a suitable European Officer from their service. I do not therefore wish

recruit an officer now on contract from England, and since I am satisfied with Thompson's work here, I should prefer to keep his services as long as possible. In modification therefore of the proposal made in my letter of the 19th April, I propose that Thompson's term should be extended for one year, up till the 20th July 1938, and my successor will be able to consider in the spring of 1938 whether he desires to ask for another extension. I would be grateful therefore if you would ask the Government of Madras to extend his appointment accordingly. Thompson is himself agreeable to the proposed extension.
